

Fiaz Jaleel, MD FAAPMR DABPM CIME CLCP

Summary of Expertise:

I am a Board-Certified Physical Medicine and Rehabilitation (PM&R) specialist with subspecialty certification in Pain Medicine and a clinical focus in musculoskeletal injuries and pain. I am experienced in acute and chronic pain management, Musculoskeletal Medicine, and Electrodiagnostic evaluations.

Clinical Practice:

- | | |
|-------------------------|--|
| June 2021-
Present | Specialty MD , owner, Orlando, FL
<i>Practice focuses on personal injury cases utilizing Physical Medicine and Rehabilitation and Pain Medicine interventions and treatments.</i> |
| Aug. 2017-
Present | Personalized Medicine Consultants , owner, Jacksonville, Orange City, FL
<i>Satellite office in Daytona Beach solely for Independent Medical Examinations. This practice focuses on Physical Medicine, Pain Medicine, Anti-Aging, and Regenerative Medicine. Services at the main offices include acute and chronic pain management, hormone testing, and replacement therapy, food and environmental allergy testing, micronutrient evaluation and replenishment, gut function analysis, IV vitamin therapy, personal injury care, and medicolegal evaluations.</i> |
| July 2015-
Dec. 2021 | Personal Injury Clinics , Florida
<i>Offices in Jacksonville, Daytona Beach, Orange City, and Orlando. The practice of Physical Medicine and Pain Medicine involved the use of a variety of injection procedures and prescriptions of non-controlled medications as needed. I also conducted Independent Medical Examinations at these locations as the need arose.</i> |
| Mar. 2010-
July 2017 | Axis Pain Clinic , owner, Jacksonville, FL
<i>This practice focused on Physical Medicine and Pain Medicine.</i> |
| May 2009-
July 2017 | Florida Pain Solutions , owner, Altamonte Springs, FL
<i>This practice focused on Physical Medicine and Pain Medicine.</i> |
| Feb. 2007-
Dec. 2021 | Physical/Pain Medicine Specialist , Absolute Injury and Pain Physicians, Jacksonville, FL
<i>This position involved the evaluation and management of patients with a variety of musculoskeletal disorders as well as the treatment of acute pain. I also conducted electrodiagnostic evaluations and reviewed treatment protocols for patients in the practice. Pain management strategies at this location were based on injection procedures and occasional prescriptions for non-controlled medications.</i> |

- Mar. 2006-
Dec. 2006 **Florida Medical Associates**, Daytona Beach, Orange City, FL
Office-based practice involving patients with a variety of musculoskeletal problems including neck and lower back pain as well as extremity disorders.
- Feb. 2005-
Feb. 2006 **Community Orthopedics**, Joliet, IL
This position was completely office-based. The job entailed a combination of Physical Medicine and Pain Management. The patient mix included persons with acute, subacute, and chronic pain.

Medical Training:

- July 1997-
June 2000 **Residency in Physical Medicine and Rehabilitation** at Washington University of St. Louis, Barnes Jewish Hospital, St. Louis, MO
During the residency, my responsibilities included thirteen months of in-patient rotations comprising Stroke, Brain Injury, Spinal Cord Injury and Bone and Joint Rehabilitation. I also completed several months of out-patient rehabilitation in General Physiatry, Musculoskeletal Clinics and Electrodiagnostic Medicine. I gained substantial experience in Interventional Physiatry including major joint injections such as the knee, shoulder and sacroiliac joints. I also learned various techniques to perform facet joint injections, medial nerve branch blocks and epidural steroid injections.
- July 1996-
June 1997 **Medical Intern in the Department of Internal Medicine** at St. Francis Hospital, Evanston, IL
This preliminary medicine year included seven months of Internal Medicine, and one month each of the following: Emergency Medicine, Gastroenterology, Endocrinology and Hematology/Oncology. I also rotated for one month in the Coronary Care Unit.
- Oct. 1987-
Sept. 1989 **Medical Intern in The Ministry of Health**, Trinidad and Tobago
Worked in Obstetrics and Gynecology, Internal Medicine, Orthopedics, General Surgery, Neonatology, Pediatrics, Ophthalmology, Otolaryngology and Community Medicine.

Education:

- Oct. 1982-
Sept. 1987 **Bachelor of Medicine, Bachelor of Surgery**
University of the West Indies
Medical School Training: University of The West Indies, Faculty of Medicine, Kingston, Jamaica and St. Augustine, Trinidad and Tobago

Licensure:
